## SKILLS

**Languages:** C++, Python, C,java  
**Tools/Platforms:** Streamlit, Scikit-learn, Pandas, NumPy, Matplotlib, Groq API, Git/GitHub  
**Soft Skills:** Problem-Solving, Time Management, Adaptability

## PROJECTS

- HireMind** | *Next.js, Firebase, Tailwind CSS, Vapi AI, Google Gemini* Nov' 25
  - Built an AI- powered job interview preparation platform that generates customized mock interviews based on a candidate's target role, experience level, and tech stack.
  - Integrated Google Gemini for dynamic interview question generation and Vapi AI voice agents to deliver realistic, real-time conversational mock interviews.
  - Implemented secure authentication and data storage with Firebase and a responsive, modern UI using Tailwind CSS, providing instant structured feedback on communication, technical knowledge, and problem-solving skills.
- PlaceMint AI** | *Python, Streamlit, Scikit-learn, Groq LLM* June' 26
  - Built a Machine Learning-based placement prediction system trained on 5,000 students academic records and skills records, achieving 89.7% accuracy using a Random Forest Classifier.
  - Built an AI resume analyzer that parses uploaded resumes and extracts key features using a Groq-hosted LLM to generate personalized, data-driven career improvement recommendations.
  - Designed an interactive Streamlit dashboard visualizing model performance (Confusion matrix, ROC curve, feature importance) alongside a direct manual-input prediction tool for instant results.

## TRAINING

- Centre for Professional Enhancement, Lovely Professional University** Jun' 26 – Jul' 26  
Applied Artificial Intelligence and Machine Learning | Grade: A
  - Completed a skill development course covering core AI/ML algorithms and applied concepts through hands-on-training.
  - Applied the concepts learned to build Placement AI, a placement prediction and resume analysis platforms, as part of the training.

## CERTIFICATES

|                                                  |        |
|--------------------------------------------------|--------|
| Database Management System   Infosys Springboard | Aug'26 |
| Data Management (Excel & Tableau)   Tech Veda    | Mar'25 |
| C Programming   CSE Pathshala                    | jan'25 |
| Effective Communications Skills   Skillera       | oct'24 |

## EDUCATION

|                                                                                                                 |                                         |
